## Identify Your Future TALENT

Our Assessment Centre Intelligence process can give you a fantastic objective and cost effective alternative when face-to-face centres are not possible. We have 3 options depending on which approach you prefer to give you the best route for the right talent for your organisation.

- OPTION 1**  
Access system and be trained to run your own full in-house ACI
- OPTION 2**  
We will run and manage a full ACI for you
- OPTION 3**  
Reports only – for development of individuals or teams and acquisition
